

FLOOD HAZARD DETERMINATION

Loan Number: xxxxxxxxxxxxxxxx

Date: June 1, 2021

Borrower(s) Name(s): Mary Wright

Property Address: xxxxxxxxxxxxxxxx

Pursuant to federal regulations, the Lender has evaluated whether or not the improved real property or mobile home (the "Property") which will secure your loan is located in an area designated by the Federal Emergency Management Agency ("FEMA") as a "Special Flood Hazard Area." The Lender has determined that according to FEMA the Property **is NOT located in a designated Special Flood Hazard Area**. Therefore, flood insurance will NOT be required by the Lender as a condition of closing this loan transaction.

The National Flood Insurance Reform Act of 1994 provides that if the loan servicer at any time during the term of the loan determines that the Property is in a Special Flood Hazard Area the loan servicer must notify the borrower that flood insurance must be obtained. In these cases, the borrower has 45 days to respond and provide evidence of acceptable insurance to the loan servicer; if no response is made by the borrower, the loan servicer can force-place flood insurance after 45 days from the date of notification.

The undersigned Borrower(s) agree that flood insurance will be purchased if the Property is located in a Special Flood Hazard Area, and if flood insurance is available in the community. The undersigned Borrower(s) further agree that if the Property at any time is determined to be in a Special Flood Hazard Area, and if insurance is available, Borrower(s) will obtain and pay for such insurance in an amount as required by the Lender or loan servicer.
